

APPLICATION FOR PLACEMENT OF GLASS BANKS

The Glass Recycling Company would like to inform all interested parties (site owners) that glass banks are available for placement. Should you be interested in having one or more glass banks placed at your premises, please complete the application form below.

The Glass Recycling Company will distribute glass banks to appropriate site owners based on the following considerations:

- **Sufficient traffic to warrant a glass bank**
- **Site location**
- **Visibility and accessibility to the general public**
- **Living standard measurements of residents**

General

Applications will be considered on a first come first serve basis.
